

AIMCO

Service Repair Technician (Portland, OR)

Compensation: **\$23.50 / hr M-F 7am – 4pm OT on occasion**

Employment Type: **full-time**

AIMCO is an industrial Distributor/Manufacturer of pneumatic and electric tools. We are looking for a Service Repair Technician. Pneumatic/Electric tool repair experience is preferred but will consider training a candidate with good mechanical aptitude and experience such as an Automotive component rebuilding or other Electro-Mechanical experience. M-F 7AM-4PM in a conditioned shop environment. Overtime on occasion. Excellent wages and benefits. EOE.

SUMMARY

Repairs, modifies, and maintains pneumatic/electric tools and associated equipment by performing the following duties:

ESSENTIAL DUTIES AND RESPONSIBILITIES include the following (other duties may be assigned):

- Operate (pre-test) Electric and Pneumatic tools to establish condition/problem.
- Analyze results from pre-test results to determine probable trouble area.
- Disassemble and reassemble Electric and Pneumatic tools and devices.
- Examine old parts to determine usability.
- Read parts diagram to obtain required replacement part numbers.
- Fill out estimate worksheets with required parts and comments about device condition.
- Recondition and/or replace defective parts.
- Provide Quality Control by test tool performance and ensure that they are within original manufacturers' specifications.

REQUIRED SKILLS

- Mechanical repair experience such as automotive or hydraulic component rebuilding.
- Understanding of basic electronics and mechanical devices.
- Understanding the proper use of a "torque wrench".
- Basic computer usage to access files and drawings.

SUPERVISORY RESPONSIBILITY

None.

QUALIFICATIONS

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

EDUCATION and/or EXPERIENCE

High school diploma or GED equivalent.

LANGUAGE SKILLS

Must be able to read, speak and write English. Additionally, even limited Spanish or Japanese would be advantageous.

MATHEMATICAL SKILLS

Basic math.

REASONING ABILITY

Mechanical aptitude, ability to read schematics and parts break downs.

PHYSICAL DEMANDS

Continuous standing for long periods of time. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

WORK ENVIRONMENT

Noisy work environment. Exposure to grease, oil, solvents, and cleaners. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
