

AIMCO Product Software Privacy Statement

The AIMCO group of companies/brands cares about your privacy and wants you to understand the nature of the software utilized to interface with our products. Our software is made available to our users for the sole nature of interfacing with many of the products used with our tightening solutions. AIMCO does not collect, share or retain any user data in the accessing of these software utilities. AIMCO complies with all published international privacy regulations as our standard course of business.
